

BON SECOURS COLLEGE OF EDUCATION

NAAC with 'B' Grade

Affiliated by Tamil Nadu Teachers Education University, Chennai
Vilar Bypass Road, Thanjavur – 613 006

Seminar on “Advanced technology in teaching and learning”- (28.07.2017)

Innovations in the technology, a hallmark of academic research is changing the way that students learn and the universities teach. With the technology, students are much more engaged in creating their own knowledge apart from normal lecture teaching. And so our institution takes many efforts to evoke in introducing technologies in teaching learning process. **Mr. Ashok kumar**, demonstrated about the smart board and its usages. Through this each and every teaching staffs comes to know how to use the smart board for enriching the teaching and learning process.
