Annai College Cultural Event Report

Annai College of Education conducted its Silver Jubilee Celebration on 6th February 2026 at its college campus. As part of the celebration, the institution organised a series of competitions comprising nine different events to encourage creativity, talent, knowledge, and overall personality development among the pre-service teachers. Various Colleges of Education, Arts and Science, Pharmacy, Management, etc were invited to participate in these events, offering students an opportunity to showcase their abilities and build confidence through healthy competition.

Bon Secours College of Education actively participated in the celebration under the valuable guidance and encouragement of the Management, Principal, Administrator and staff members. With strong institutional support and motivation, the student teachers participated in all nine events with great interest, dedication, and team spirit.

Through their sincere efforts and excellent performance, the students of Bon Secours College of Education achieved commendable success, securing four prizes in various competitions, as given below

S.No	Event	Prize
1.	Drama	I-Prize
2.	Folk Dance	II-Prize
3.	Mime	II-Prize
4.	Musical Instrument Playing(solo)	III-Prize

This achievement brought recognition to the institution. The competitions not only helped participants exhibit their talents but also enhanced their communication skills, creativity, critical thinking, and self-confidence. Such intercollegiate events create a platform for future teachers to develop professionally and personally.

The Management, Secretary, Principal, Administrator, and all the staff appreciated the efforts of the winners, participants, and the coordinator, Mrs S. Lakshmi, Assistant Professor in Tamil Education,

for their sincere involvement and remarkable accomplishments. They congratulated the student teachers for bringing honour to the institution and encouraged them to continue striving for excellence in all their future endeavours. The management also acknowledged the importance of participation in such programmes, as they contribute to the holistic development of student teachers and prepare them to face future challenges successfully.

Overall, Bon Secours B.Ed., College participation in the Silver Jubilee Celebration of Annai College of Education was a memorable and enriching experience. The achievement of winning four prizes stands as a testimony to the hard work, guidance, and continuous support provided by the institution. The programme strengthened cooperation, confidence, and competitive spirit among the pre-service teachers, motivating them to achieve greater success in the future.
