& Pre-Service Teachers.

Orientation Programme On National Service Scheme

Date : September 24, 2025
Venue : Conference Hall, BSCE.

Objective

The NSS orientation program is designed to familiarize volunteers with its goals, values, and activities. It seeks to build awareness about the significance of community service and social responsibility. The program also aims to inspire volunteers to develop commitment, discipline, and dedication, thereby preparing them to actively contribute to the process of nation-building.

Programme

The NSS Orientation Program was held successfully on 24th September 2025 in the college conference hall. The program began with the soulful invocation of Mother Tamil. The welcome address was presented by Ms. Subasri B, a first-year pre-service teacher from the Department of English. Following this, The Principal, Dr. K. A. Antony Samy, presided over the function. The session was then led by the chief guest, Dr. L. Malarvannan, Associate Professor in Biochemistry, Rajah Serfoji Government College, Thanjavur. In his address, he shed light on the motto, logo, and objectives of NSS, and emphasized the importance of volunteer service, special camps, and their valuable role in education and society.

He also gave a detailed explanation of the NSS symbol, badge, and the responsibilities of NSS volunteers. He particularly stressed that volunteers should always remain prepared to extend their service whenever required. He also provided in-depth insights into various areas such as youth development activities, team building, leadership skills, developmental challenges, disaster management, and the adoption of villages. The session witnessed the enthusiastic involvement of all first-year pre-service teachers, who actively interacted, clarified their doubts, and expressed their willingness to join in nss service. The programme came to an end with the vote of thanks, delivered by Ms. Nimsi, a first-year pre-service teacher from the Department of English, BSCE.
