WORLD ENVIRONMENT DAY PROGRAM 2025

DATE : June 5, 2025

OBJECTIVE:

The World Environment Day program aims to raise awareness about the significance of environmental protection and promote collective responsibility in preserving the planet. The program emphasizes the vital role of tree plantation as a sustainable solution to combat climate change, restore biodiversity, and enhance the health of ecosystems. Through this initiative, participants are encouraged to contribute actively towards building a greener and cleaner world.

PROGRAM:

The World Environment Day celebration was held on June 5, 2025, at Bon Secours College of Education, Thanjavur. The event was jointly organized by the Eco Club and NSS. It commenced with a prayer song, followed by an invocation, setting a peaceful and reflective tone for the day. The program took place at Bon Secours College Convent.

Rev.Sr.Jessi Chandra, Superior, Bon Secours College Convent, Rev. Sr. Sandanamary, Administrator, Bon Secours College of Education, and Rev. Sr. Rabacca, Office In-Charge, Bon Secours College of Education, graced the occasion with their esteemed presence. Participation of the above said person reflected the institution's unwavering commitment to environmental sustainability and value-based education.

The program featured a powerful and insightful address delivered by Rev.Sr.Jessi Chandra, Superior, Bon Secours College Convent. Her speech highlighted the importance of observing World Environment Day and the significant role of tree plantation in combating environmental issues such as global warming, deforestation, and biodiversity loss. She urged all participants to take collective responsibility for preserving nature and emphasized that planting trees is a simple yet impactful act that contributes to a healthier planet.

The session concluded with a Tree Plantation Drive held within the college campus. Faculty members, Rev.sisters, and students enthusiastically participated in planting saplings, symbolizing their commitment to environmental protection and sustainability. The programme was jointly organized by Dr.A .Jenita Arokiamary , Asst . prof in Education , / co-ordinator Eco –Club and Dr.V.Vidhya ,Asst. Prof in Education / Programme Officer NSS.
