SEMINAR ON BLOOM'S TAXONOMY REPORT

TITLE: BLOOM'S TAXONOMY

DATE: 17.10.2023

OBJECTIVE:

“STUDENTS HAVE TO MASLOW BEFORE THEY CAN BLOOM”

This program was inaugurated by our college principal Dr.K.A.ANTONYSAMY, This seminar was conducted every year for the pre-service teachers to develop and provide a common language for them to discuss and exchange learning and assessment methods.

PROGRAM:

Bloom's Taxonomy seminar was conducted on 17.10.2023 at the common hall of our college. The seminar was started with experiencing the presence of God by the prayer song sung by our pre-service teachers followed by the words of Bible and then the welcome address was given by our pre-service teacher Ms .S.Sushmitha, Ist year Department of Mathematics.

It was a eventful occasion, Dr.G.Palanivelu,PhD., Associate Professor, Department of Foreign Language, Tamil University, Thanjavur was invited as the chief guest for the seminar. He taught the pre-service teachers about the Concept formation, Communication cycle, Flanders's observation and the Benjamin's Bloom's Taxonomy. He explained everything with examples by sharing his experiences in a different way.

He clarified all the doubts asked by the pre-service teachers very patiently. Finally the seminar was concluded with the pre-service teachers feedback and the words of gratitude was delivered by the pre-service teacher Ms.J.TamilKaviya, Ist year Department of Mathematics.

OUTCOMES:

- It was really a worthy seminar for the pre-service teachers to get prior ideas on Bloom's Taxonomy.
- Pre-service teachers had a chance to gain knowledge on lesson planning.

It was a chance for the students to get to know about planning a concept and executing the planned concept.
