Report on Drug Eradication Awareness Program

Date: August 11, 2025

Time: 11:00 AM

Venue: Bon Secours College of Education

Objectives

- To increase awareness among students about the ill effects of drug abuse on individuals, families, and society.
- To encourage pre-service teachers to become role models and advocates for a drug-free lifestyle in their future careers.

Program Activities

An awareness program on drug eradication was organized by the NSS Unit of Bon Secours College of Education on August 11, 2025. The event commenced at 11:00 AM aimed to educate students about the dangers of substance abuse and promote a drug-free environment on campus and in the community. The key activities conducted during the program were:

1. **Pledge Against Drug Abuse:** All pre-service teachers and NSS volunteers solemnly took a pledge to abstain from drug abuse and to actively work towards its eradication. This commitment marked the beginning of their role as ambassadors of the anti-drug cause.
2. **Creative Competitions:** To engage the students and encourage creative expression, several competitions were organized, including:
 - o **Drawing Competition:** Participants created powerful visuals illustrating the theme of "Drug Eradication."
 - o **Essay Competition:** Students penned thoughtful essays on the social, psychological, and physical impacts of drug abuse.
 - o **Poster Making Competition:** Participants designed informative and impactful posters to spread awareness about the dangers of drugs.

The event was held under the guidance of NSS Coordinator Dr. V.Vidhya, Assistant Professor in Education, BSCE.
